

A Porcupine in a Pine Tree

Craft Instructions

Porcupine Christmas Tree Ornament

You will need:

- A pinecone
- Google eyes
- Small pompom
- Small piece of brown felt
- String or ribbon for hanging

What to do:

1. Cut a small circle out of the felt for the porcupine's face.
2. Glue on the eyes and the pompom for a nose.
3. Glue the felt face to the flat end of the pine cone.
4. Tie the string around the middle of the pine cone to hang on a tree branch.
