

Big Red Barn Craft Instructions

Make a Cat Puppet

You will need:

- Cat template
- A piece of construction paper
- Pieces of fabric
- A large craft stick

What to do:

1. Print the cat template. Cut it out and glue it to the construction paper.
2. Cut out around the cat.
3. Decorate the cat. Colour with crayons or markers and glue on fabric.
4. Glue or tape the stick to the back of the cat to make a puppet.

Adding fabric to the cat puppet makes it a sensory experience for young hands. If you add small pieces of different types of fabric, you can talk to your child about the different textures.

Here is a song you can sing after making your cat puppet:

Soft kitty, warm kitty

Little ball of fur.

Happy kitty, sleepy kitty

Purr, purr, purr.
