

# The New Baby Calf

## Craft Instructions

### Cow Paper Bag Puppet

You will need:

- Cow Puppet Template
- A paper bag

What to do:

1. Copy the cow puppet template. Colour the cow face and tongue and tail. You can colour the paper bag too if you want. Will your cow have spots?
2. Cut out the parts of the cow. Glue the face on the folded part of the paper bag. Glue the tail on the back. Glue the tongue inside the flap.

*Now put your hand inside and make your cow MO-O-O long and low!*
