Craft Instructions

Paper Pig Mask

You will need:

- Pig mask template
- Pink construction paper
- Circle stickers
- String

What to do:

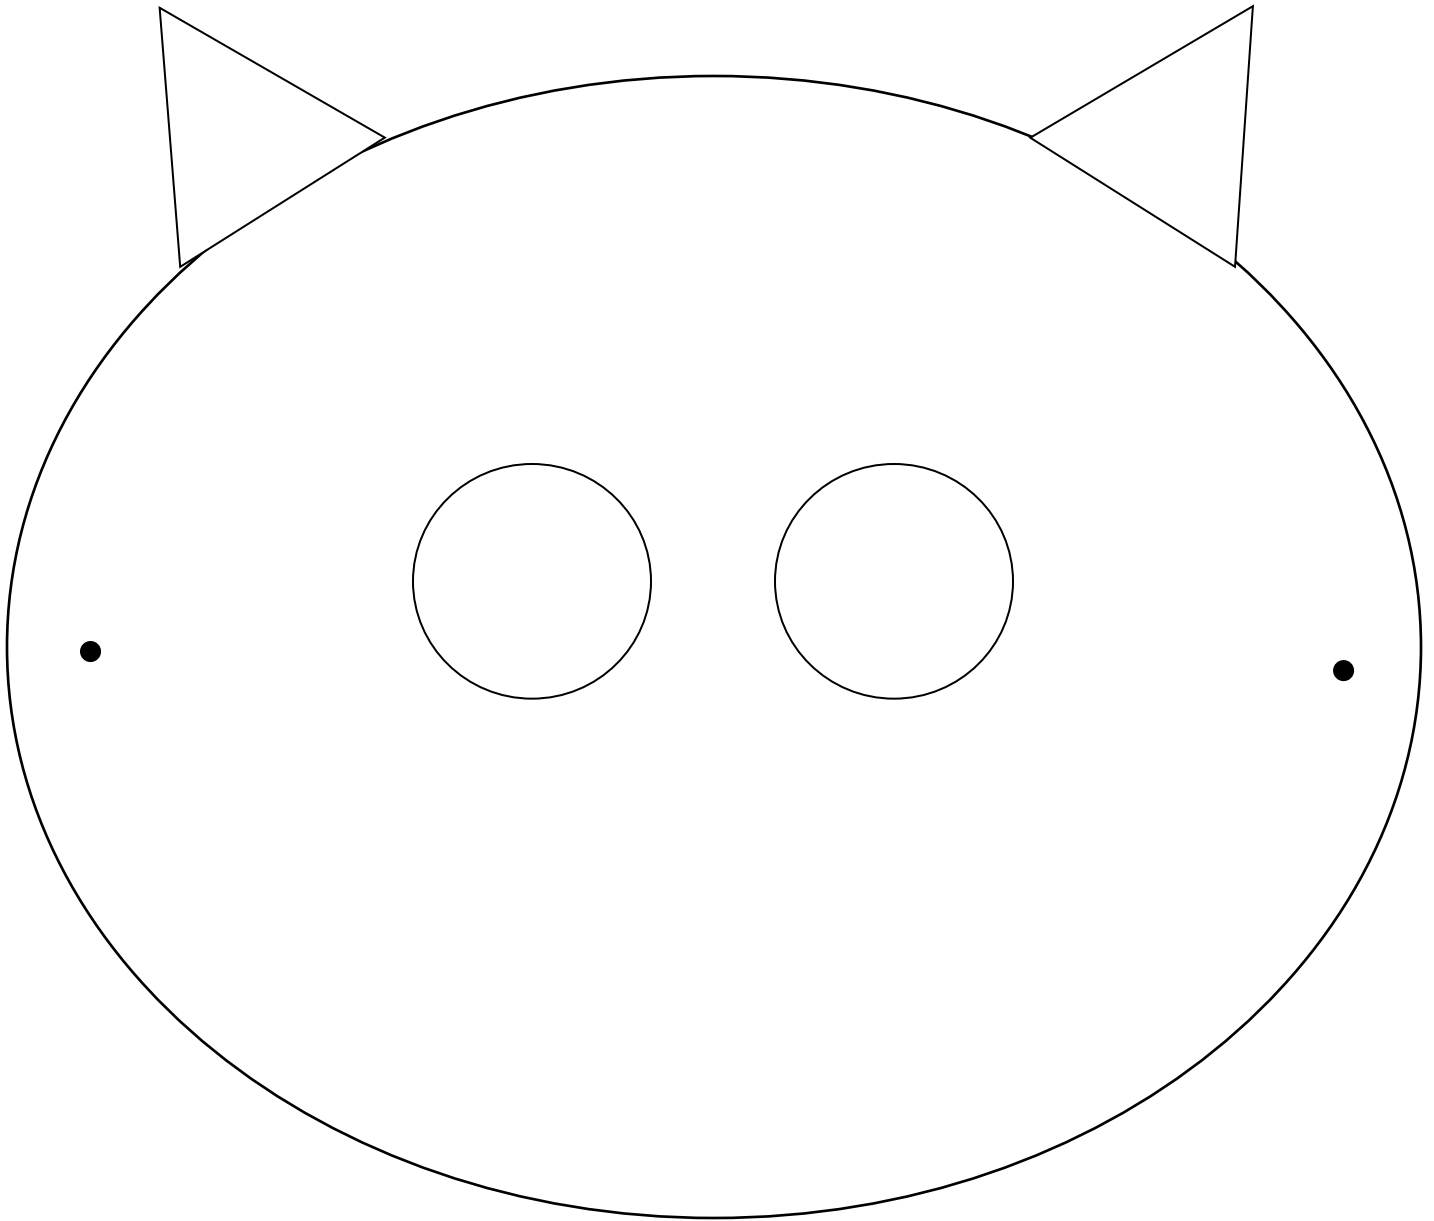

1. Print the pig mask template. Cut it out and trace it onto pink construction paper. Cut out the mask including the eyes.
2. Cut out the pig snout template and trace it onto pink construction paper. Cut out the snout and add circle stickers for nostrils or draw them on. Glue the pig snout onto the mask.
3. Poke holes in the sides of the mask and pass the string through the holes and tie at each end.

Now you have a pig mask!

Pretend that you are one of the pigs from the last page of the book.

What are you going to do?
