## Make an indoor snowman

If it isn't snowman making time, make snowballs from crumpled paper, stuff them into a garbage bag or two and decorate!

*Lost in the Woods* is another book by the same authors that is in the ASL RAPP Library. In this book, the animals are worried a baby deer is left alone in the woods.

For more on a winter theme, check out these titles: *Sadie and the Snowman*, *The Snowy Day*, and *The Mitten*.

You may notice there are different ways of signing the same thing. ASL differs by area just like there are different dialects of spoken language. Knowing the context, will help understand the meaning.

In this video, the signer refers to different ways of signing the seasons.

## Move from storytelling to story reading

Children often want to read the same books over and over again. This helps them gradually build their understanding. At first, you might need to spend more time explaining and telling the story, but as your child becomes familiar with it, you can focus more on the English text. *Based on the Clerc Center's Shared Reading Project.*
